Freshwater

A beautiful setting with extensive views over the Solent and towards the downs, this is a secluded development set in 38 acres where the countryside meets the sea. The towns of Freshwater & Yarmouth are nearby with a variety of shops, restaurants and public houses. There is a sports centre in Freshwater with an indoor swimming pool and an 18 hole Golf Course at Freshwater Bay. The bungalows are semi-detached, brick built and are completely self contained. As they are all privately owned they are furnished to the owner's individual tastes, however they are all comfortably furnished and have fitted carpets throughout.

Situated at Cliff End this one-bedroom bungalow has stunning front views over the Solent towards Hurst Castle and the Hampshire Coast, to the left are the Needles. There is a patio area at the front and a large grassed area beyond. Parking is nearby in a parking area. Maximum five minutes walk to Colwell Bay beach.
